

MATH 220 Post-lecture Student Interview
Lecture Number:

Date:
Attendance:

Question	Student 1	Student 2
What was the main point of today's lecture?		
How was the pace of the lecture? Of the course in general?		
How clear was the lecture?		
Given your other obligations, are the lectures still worth your time?		
How were the in-class exercises? Do you find them useful?		
How are the suggested readings? Do you do them? Do you find them useful?		
How are the homework sets?		
How is the feedback on your homework?		
If you could change one thing about the course, what would it be?		
Do you have anything else to add or any other comments about the course?
