# Final Examination information

## Announcements

Your graded Quiz #5 is now available online

- Regrades: today in class, or tomorrow in office hours

WeBWork #12 is due tonight at 9pm

Practice final exam posted today or Thursday

- Strong recommendation: **take it under exam conditions**
- Solutions posted Tuesday, April 18

## MATH 101 final examination

- Friday, April 21; noon–2:30 pm (150 minutes)
- Location (for our section): Osborne Gym, room A
- Cumulative—material from the entire course will be tested
- Format extremely similar to practice final
  - A couple of pages of multiple choice questions: just write the answer in the box for full marks
  - Eight short-answer questions, five long-answer questions

# Final Examination information

## Very strict exam conditions

- Find your **preprinted exam paper**; they'll be in alphabetical order (you'll receive an email, or check final exam web page, for seating chart)
- Bring ID & writing implement (non-red pen, or dark pencil)
- Completely closed book, no calculators. Phones cannot be visible at any time—they cannot even be on your person.
- **Won't be allowed**: pencil cases, baseball caps, digital watches.
- You are responsible for not cheating
- 75 points on exam,  $150 = 2 \times 75$  minutes
- Remember to breathe deeply! Every problem on the exam has been carefully crafted to make sure you know how to solve it.
