

## Announcements

**WeBWorK #1 is now open.**

- Due Wednesday, January 11 at 9pm
- Covers “Unit 1” material—see syllabus on course web site
- WeBWorK and the Suggested Problems are your best way to practice for the in-class quizzes

**Reminder: ask all math questions on Piazza, not by email!**

- If you're having trouble getting onto Piazza: yes, email me!
- Logistical/administrative questions: if you check the course web site but still have a question, contact me either on Piazza (you may make a post private) or by email

**These slides (announcements and clicker questions) will always be posted on our section's web page after class.**
