Introduction

About myself: Mrs. Kateryna Melnykova (please call me Kate)

I am a PhD candidate in UBC

How to succeed in taking MATH 101

1. Practice
2. Stay caught up

Grading scheme:
- 40% quizzes (best 4 out of 5) on Wednesdays (except today)
- 10% Webwork (5 Webworks)
- 50% final exam (date TBA)

Also: iClickers

Have a question—go to Piazza!

Other: Blocks are too long to have no breaks. In about 50 min after the beginning of the class, you will get either iClicker question or group discussion which I assign 5-10 min more time. Use them as a break.
