

# Multiple Dirichlet Series and Applications to Automorphic Forms Workshop

Aug 4, 2008 - Aug 8, 2008

William Robertson Building, University of Edinburgh, UK

## Organisers

Nikolaos Diamantis (University of Nottingham)

Ivan Fesenko (University of Nottingham)

Dorian Goldfeld (Columbia University)

Jeffrey Hoffstein (Brown University)

*This international workshop on multiple Dirichlet series aims to put into global perspective the achievements up to the present and formulate a program for the future development of the subject.*
