

# **RESEARCH EXCHANGE & POSTER COMPETITION**

**As part of Genomics Forum 2008**

*Genome BC and the Student Biotechnology Network are pleased to invite BC's scientific community to our annual Research Exchange & Poster Competition.*

*Graduate students from **academic institutions across BC** will present their research at the 4th annual Research Exchange. The Exchange includes the full day Genomics Forum and will feature an impressive display of research posters in **disciplines across the life sciences**.*

**APRIL 11, 2008**

**UBC Frederic Wood Theatre  
6354 Crescent Rd, Vancouver**

**8:30am (registration & breakfast)  
9:00am-4:30pm (forum)**

## **POSTER COMPETITION**

*Graduate, post-doctoral, and project & platform technology research posters from across BC are all welcome, however only graduate student posters are eligible for the competition. The Research Exchange & Poster Competition is an opportunity to present research on diverse topics to BC's scientific community. Research posters on areas across the life sciences are encouraged. There is **no cost for submission**.*

***First prize is a laptop computer!***

***Deadline for submission is April 3<sup>rd</sup> at 5pm.***

*NOTE: Only the first 50 posters will be registered for Research Exchange 2008, on a first-come first-serve basis. Space fills fast so register your abstract today!*
