AT THE UNIVERSITY OF BRITISH COLUMBIA

The Centre for Sustainable Food Systems at invites you to the:
Third Annual Community Teaching and Learning Symposium
at
UBC Farm

Friday April 13, 2007, 9am – 4:30 pm, lunch provided

Held, rain or shine, at the UBC Farm (see map below)

Registration cost: \$20 - Attendees, \$10 – Students, Free for presenters/speakers

Keynote Speaker: Dr. Patricia Allen, Acting Director of the Centre for Agroecology and Sustainable Food Systems at the University of California, Santa Cruz

The goals of this Symposium are to:

- Highlight education projects promoting sustainable food systems
- Strengthen Farm-community and encourage involvement in UBC Farm activities
- Facilitate discussion on the role of the UBC Farm as a Centre for Sustainable Food Systems

This symposium is intended to be a celebration of the Centre for Sustainable Food Systems' ongoing community, education and research projects, and a catalyst for strengthening and expanding the linkages between the Centre, the University, and surrounding communities.

Neighbours, students, practitioners, industry, NGO, university, and government representatives are invited to attend.

If you plan to attend,
please **RSVP** to Afton Halloran at farm.symposium@gmail.com by **March 20, 2007**
